Kipawa Trust International is a charity funding feeding programmes and counselling facilities for impoverished schoolchildren in Kenya

Today, we are focused on helping the children of Mukuya School (in Ruiri, 2 hours north of Nairobi). We help in several ways:

- Our feeding programme currently provides 500+ children with a nutritious breakfast and lunch daily - this increases attendance at school and improves their performance
- · Our guidance support ensures frequent access to advice on health and wellbeing
- The building refurbishments we have undertaken provide the children a safe enivornment to learn within
